

## Changing Places Easy Read Update

**March 2017**

Hi I am Leroy Binns. I am a Campaigns Assistant for Changing Places.

Changing Places toilets are toilets with a hoist, a changing bench and a non-slip floor.

They are for people with profound and multiple learning disabilities (PMLD), people less able to walk and the elderly.

### **Campaigns News**

This month has been one of the best months in a long time with 26 new Changing Places toilets registered!

Well done to Cornwall Services for being voted the winner of the People's Choice Award for Changing Places Toilet of the Year 2016!

There have been a lot of media stories about the lack Changing Places toilets in Premiership Clubs. Only 7 Premiership Clubs out of 20 currently have a Changing Places toilet.

This month there have been two Changing Places toilets opened at Alton Towers.

Well done to everyone who campaigned on this!

Well done to The Portal in Irvine who went the extra mile by having three Changing Places toilets installed at their venue.
